Chicago, Oct. 21.—[Special].—Wheat—good business was transacted. Market at times ruled active, and at others a little more quiet. Feeling developed was decidedly strong. During the early part of the session, when demand was good and not much wheat offered, but, like yesterday, when top prices were reached considerable long wheat came on the market, which had the effect of causing a reaction. Some of the largest operators who had been operating on the bull side for the past few days, it was claimed, had let go of their holdings. Opening was 3/4@1/2 higher than yesterday's closing, closed about 1/2, soon after opening, then started upward, advancing 3/4@1 cent, later became weak, declining 3/4@1 cent, fluctuated, and closed about 1/2@3/4 higher than yesterday. Cable advices are encouraging.

Corn was active and excited, the market ruling much stronger, and higher prices ruled on all futures. The feeling developed was a little unsettled, the first trades being at 1/2@1/4 advanced, and under good buying and limited offerings; advanced 1 1/2, reacted 3/4, ruled firmer, and closed with 3/4@3/8 gain. The market sympathized with wheat and oats some. The break after the early advance was attributed to heavy offerings of room operators.

Oats, active, stronger and higher than at any previous time on this crop. The strength and upward tendency in prices was assisted by that in other markets, also by free purchasing by shorts who paid no attention to prices so long as they got in. There was also good buying by a very large trader and moderate selling by a heavy holder. May was the active month and opened 1/2@1/4 higher and advanced 1 1/2 more. For a time the market held firm at the outside, but gradually eased off 1/4 and finally closed with a net gain of 3/4@1.

Mess pork brisk, during early part of session an advance of 15@20 was gained, but toward the close the advance was lost the figures being about 2 1/2@5 lower than on Monday. Lard, only moderate trade reported 2 1/2@5 higher and market closed steady at inside figures. Short rib side quite good trade reported advanced 2 1/2@5, but during latter part of session prices receded 7 1/2@10.

Breaking the Record

Just when the season is at its height, something rarely done. In consequence of the inclemency of the weather, and backwardness of the season, we have entirely too many men and boys' suits on hand, and have determined they shall move more lively now in order to create a little stir and excitement amongst the trade.

We're going to let go, as flyers, as follows: Sale commencing to-morrow and will continue for one week.

Here's How We Sacrifice.

500 men's cassimere suits at \$3.75 per suit. The regular prices of these suits have been \$8 and \$10. Twenty different patterns to select from. This is the greatest bargain ever offered in this city.

For one week only we will sell men's overcoats, previously marked \$16, \$14 and \$12, for \$8 each.

Rich, satin-lined kersey and melton overcoats, previously marked \$13 and \$16, for \$8.75 each.

\$2 men's pants 90 cents per pair.

Make Hay While the Sun Shines.

Boys' handsome winter suits, previously marked \$5, for \$3.90 per suit.

500 men's fleeced merino undershirts 39 cents.

A Bonanza for a Week.

Boys' cassimere suits, previously marked \$2 and \$2.50, for \$1.08 per suit.

\$4 men's pants for \$1.90 per pair.

Remember this sacrifice is on the altar of necessity; room is needed for goods which are arriving every day. We are over-stocked, and don't care who knows it, but we have the nerve to face the music of necessity and stand the loss. Prices within the range of everyone. All seasonable, choice and stylish goods. A complete range of sizes, cleanly made, and nicely trimmed.

All we can say is: "Do not put one dollar in clothing this week until you have been here and convinced yourself that what is here advertised are facts." This motto is well applied:

"FIRST COME BEST SERVED."

GRAND OPENING SALE OF THE

Wytheville Development Company. Sale will begin September 30, at 1 o'clock.

WYTHEVILLE, VA.

"THE GEM OF THE ALLEGHANIES"—"THE SARATOGA OF THE SOUTH."

The county seat of Wythe county, which was awarded the diploma with \$500 premium at the Virginia Exposition at Richmond, in 1888, in Minerals and Woods. Population 4,000. Altitude 2,360 feet.

Wythe County has two blast and fifteen charcoal iron furnaces, and several zinc and lead furnaces. Wytheville offers the best sites and greatest inducements to manufacturing industries of any city in the South. The Wytheville Development Company's reserve fund for new industries alone amounts to \$180,000. Wytheville is the center of the richest mineral region in the South. Wytheville exempts all manufacturing industries from municipal taxation for ten years. Wytheville has beautiful and well-paved streets 60, 70 and 97 feet in width. Two electric light plants and three water systems. Wytheville has the best public schools and the handsomest school building in Virginia; has three female colleges and two male academies. Owing to its mineral waters, free to visitors, which are highly curative for many diseases, and its great altitude, it has grown into a great and fashionable health resort.

The Wytheville Development Company will place on the market, September 30, 500 residence and business lots of its property in the new West End Extension, lying between the Wytheville Cotton Mills and the "Jackson Park Hotel," on both of which work has just begun. This property to be offered for sale for the first time, September 30, is the most beautiful property in Wytheville, and will be priced at very reasonable figures in order to encourage investments. Investments in Wytheville real estate within the last ninety days have borne from 100 to 500 per cent. to investors.

The Norfolk and Western railroad, running from Norfolk to the West and Northwest, will have on sale at stations on line and agencies in New England special excursion round-trip tickets to Wytheville, good until October 31.
